

### REMARKS

This is in response to the Official Action mailed February 28, 2005, notifying Applicant of a restriction requirement. Applicant believes that no fees are required with this response. If any fees are required, the Assistant Commissioner is authorized to charge the same to the account of Barnes & Thornburg, Deposit Account No. 10-0435, with reference to our matter number 3220-73872.

Claims 1-29 are pending in the application and the Examiner has required restriction between four groups of claims:

- Group I: Claims 1-12, drawn to methods for protein detection and quantification;
- Group II: Claims 13-21, drawn to a method of detecting a P450 protein;
- Group III: Claims 22-24, drawn to a labeled molecular complex; and
- Group IV: Claims 25-29, drawn to a kit.

Applicant elects the claims of Group II, claims 13-21, for prosecution in the present application, with traverse. As indicated above Applicant has withdrawn claims 1-12 and 22-29 from the non-elected groups.

Applicant believes that the present application is now in condition for substantive examination.

Respectfully submitted
